Summary

I was the technical assistant to the director of the orphan sponsorship department at Noor El Marifa Association for more than ten years.

Duties and Responsibilities

- I was the technical assistant to the director of the orphan sponsorship department at Noor Elmarifa Association, and among the tasks assigned to me were:
 - Responsible for collecting orphan data from the field research team and preparing the final lists to provide to partner Institutions
 - I was responsible uploading orphan files, reports, photos and success stories to the association's cloud storage and providing access to them
 - I often participated in field research team meetings, and for many years I was a assistance of one of the field research team managers.
 - I followed up with him on his tasks, management, and meetings with his team, and I worked on solving technical problems.
 - I was responsible for training the sponsorship team on sponsorship programs for partner institutions, such as Human Appeal, Muslim Mission, and others.
 - Working to solve all technical problems for the sponsorship team and monitoring the workflow in an appropriate manner
 - I used to participate in distributing orphan sponsorships to partner organizations such as Human Appeal, Muslim Mission, Muslim Aid, and others with the sponsorship team when there was pressure in distribution or a shortage in the team.
 - I was involved in other activities of the sponsorship department such as celebrations, trips, distribution of gifts and aid.
- Professional in MS Office Suite, especially Excel, Word and PowerPoint, etc.

Certifications

- I have taken courses in dealing with the public, communicating with orphans.
- I have taken courses enhancing communication between the work team, managing time and effort while working under pressure, and others.
- Computer Maintenance and network administrator courses
- I have Taken Multimedia course such as adobe photoshop, etc.
